TAX COURT DIGEST

13 volumes

KEPT TO DATE

Your Secretary will love it,—not a looseleaf service.

FOR THE ATTORNEY, ACCOUNTANT and TRUST OFFICER

Think of the thousands of decisions made and questions answered in the Tax Court,—so few in the U. S. Circuit Court of Appeals, fewer in the U. S. Supreme Court. The Tax Court decisions are digested in the Tax Court Digest. All appealed decisions from the Tax Court are noted,—affirmed or reversed, by the higher courts.

If you have a case in point, the volume containing the Table of Cases cites the other cases on the particular subject.

The set is self-indexing by title, major sub-head with minor subdivisions on the title. Last Volume Number 13 will be ready for delivery in November.
